Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated October 8, 2004, in which the Examiner has required a restriction, Applicant responds by electing Group II, *i.e.*, claims 10-16, drawn to a capacitor having organic electrode material. This election is made without prejudice to the filing of a divisional application directed to the non-elected claims.

Prompt and favorable action on the elected claims is now respectfully requested.
